Jivamukti and The Centre of Origin host a unique adventure to support the healing between humans, the Earth, and all other animals. Ol Ari Nyiro is known for its spectacular views, extraordinary range of eco-systems, and the wildlife it supports. Situated in the Great Rift Valley, it is the largest conservancy (100,000 acres) in Kenya and the only one without livestock. Pursue the goal of yoga through compassion for all beings with practitioners from around the world in the African Bush.
